It's Christmas Time Once Again!

It is the season when we celebrate how "The Word became flesh and dwelt among us"! That is what PBT is all about, and we are so blessed that God has brought us here to be a part of this work! So many things have happened this past year, and we are already looking forward to a full calendar next year!

A Giving Opportunity

The number one item coming up is the opportunity to buy the house we have been renting for the last year! We are very excited about this, it is a nice house, great location for us, and we wouldn't have to move again! We have one thing standing in our way, and that is that we need to come up with a down payment and the other costs—a total of \$6,500. It would seem that this opportunity comes too late, after we have had to use all the money from selling our house in Globe to live on while our support was getting built up. However, we believe that God wants us, and those around us, to see that this is truly HIS house, and He will provide for us in a miraculous way. His timing is always perfect, even when we have our doubts and fears. The story of how He meets our needs, and who He uses will be a testimony to His glory and power!

The past year

We have had quite a year. Here are a few highlights:

- We took part in the Perspectives on the World Christian Movement class. We learned a ton of stuff about mission history and trends. This was one of the classes required by Pioneer Bible Translators. We truly enjoyed this—it opened our eyes!
- In February, Josi took her first official trip for the Mobilization Department of PBT. She joined two others on a trip to St. Louis and Memphis. They shared in chapel at St. Louis Christian College and with several churches. Josi got to speak during the Sunday services at Morning Star Church Worldwide Ministries.
- In April we took a trip to California, Phoenix, and Albuquerque. This was done for our Partnership Development—to encourage people and churches to partner with us in our ministry. We met lots of people and gained several new partners.
- In June we participated in the Pioneer Mission Institute. This week-long training is for new recruits, people interested in joining PBT, and for parents of new missionaries. Josi organized classes for the Partnership Development course and Richard handled the audio-video part of the daily chapels and gatherings. He also participated in the children's program, acting as Aaron.
- In July, we helped represent PBT at the North American Christian Convention in Louisville, Kentucky. We had a great time and got to know some of our co-workers better.
- Josi organized the Fort Worth Banquet in October. This was the first time PBT has held a banquet outside of the Dallas area. It was a success and laid the foundation for other banquets, including one in Phoenix she is organizing in March of 2010.
- Richard has been doing the desktop support for PBT. He has helped solve computer and email problems for missionaries from just about every field that PBT serves. He has also taken over the computer and software purchasing for PBT.

We send all of you wishes for a very Merry Christmas and God's richest blessings in the New Year! Thank you for your continued support and prayers!

Richard Josi

Merry Christmas from Dallas!

Paul
