

Partnering with Richard and Josi Ingram through Pioneer Giftdirect.

Simplicity

Pioneer Gift *direct* allows you to benefit the ministry of Pioneer Bible Translators (PBT) and its missionaries without being bothered by the finer points—like remembering the checkbook and stamps or sending in a contribution when you are out of town. You can set up this agreement ahead of time and let it work for you, with one less detail to have to worry about. With this option you authorize your bank to automatically transfer your gift from your bank account to PBT's account each month.

Accountability

Your decision to contribute to your chosen ministry through Pioneer Gift *direct*, sets into motion a commitment that will stay consistent until you choose to stop or change it. This may be the accountability you are looking for to avoid falling behind, forgetting your donation, or even just putting it off. Pioneer Gift *direct* is another means for you to connect your monthly budget to the ministry of Bible translation and literacy around the globe.

How Does It Work?

Please complete the attached Bank Authorization Form and mail it to:

PBT Finance Office
P.O. Box 380820
Duncanville, TX 75138-0820

PBT bookkeepers will forward the information to Church Development Fund (CDF), administrator of the Pioneer Gift *direct* program. CDF will begin deducting from your account the amount designated (minimum of \$25.00) on the date that you choose (10th or 25th of each

month). If you desire to change this agreement, you must contact PBT in writing 30 days prior to the change. If you desire to contribute more than once a month, please complete two forms, one for each date on which you want your gift to be made.

PBT will also contact the forwarding agents of the missionaries with whom you partner, notifying them of your Pioneer Gift *direct* participation. Receipts for your tax-deductible contributions will still be mailed to you by the forwarding agents, so you will continue to receive news and updates in the customary way.

You may expect the first fund transfer to occur within 30 days of the time we receive your authorization form. Since PBT missionaries count on your regular contributions and you will not want them to miss a gift while your Pioneer Gift *direct* request is being processed, we recommend that you to mail us your Pioneer Gift *direct* form about 35 days before the date on which you want it to become effective.

We value your partnership with us. Thank you for helping us “Bring God’s Word to Life” among Bibleless people groups in Africa, Asia, Europe, and the South Pacific.
